Dear Carla:

I enjoyed the opportunity to meet with you and Mr. Rice in Seattle concerning the renewal of Anchorage's 301(h) discharge permit, and our trip back to Washington, DC. I appreciate your efforts on our behalf in helping resolve the outstanding issues Anchorage had with the State of Alaska.

The trip to Washington, DC went well. We had a good meeting with Robert Wayland, III, Craig Vogt, Virginia Fox-Norse and others. The public hearing also went well. Alaska was well represented by Skagway, Sitka, Haines and Anchorage.

You should have received a copy of Anchorage's final comments on the proposed 301(h) regulations. If you have any questions please contact me at 907-786-5511.

Sincerely,

Brian I. Crewdson
Assistant to the General Manager
Anchorage Water & Wastewater Utility
